SUBMISSION & PUBLICATION GUIDELINES

Information for authors and contributors

MANUSCRIPT PREPARATION

1. Submit original work that has not been published previously and is not under consideration by another journal.
2. Follow the journal's manuscript format and current author instructions.
3. Use APA 7th edition referencing style, unless discipline-specific instructions state otherwise.
4. Cite all sources, quotations, tables, figures and adapted materials accurately.
5. Include the title, author names, institutional affiliations, corresponding-author email, abstract and keywords as required by the submission system.
6. Disclose funding, acknowledgements and potential conflicts of interest.
7. Obtain applicable ethical approvals and permissions before submission.
8. Submit through the journal website and respond to editorial and reviewer queries within the stipulated period.

EDITORIAL SCREENING & PEER REVIEW

Each manuscript undergoes initial editorial screening for relevance to the journal's scope, completeness, originality and compliance with author guidelines. Manuscripts that pass screening may be sent for peer review. Editorial decisions may include acceptance, minor revision, major revision or rejection. Submission does not guarantee acceptance or publication.

PUBLICATION ETHICS & RESEARCH INTEGRITY

Authors are responsible for the accuracy and integrity of their work. Plagiarism, duplicate submission, fabricated or falsified data, manipulated images, undisclosed conflicts of interest and inappropriate authorship practices are unacceptable. Similarity screening may be conducted. Editors and reviewers must maintain confidentiality, impartiality and editorial independence. Concerns about possible misconduct will be handled under the journal's applicable policies.

INDEXING & DISCOVERY PLATFORMS

The journal identifies the following services/platforms for discovery, research organisation or scholarly visibility, as applicable:

• International Impact Factor Services (IIFS)	• Zenodo
• Google Scholar	• CiteFactor
• Zotero	• Scilit

Platform listing, inclusion, indexing, coverage and article-level discoverability are subject to each service's independent evaluation, policies and criteria. Mention here does not imply endorsement or guarantee of indexing, ranking or acceptance.
